MEMORANDUM FOR THE RECORD

25X1A2g SUBJECT : Concurrence in Amendment No. 2 to Contract No. HF-6524 with General Precision Laboratory, Incorporated, Pleasantville, New York, [REDACTED], Project CHALICE (Air Force)

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 6.

2. Contract No. HF-6524 provides for the services of General Precision Laboratory technicians to maintain Air Force Radar Navigation Systems.

3. This Amendment No. 2 changes the effective date to cover the first tech rep, provides additional funds and allows the services of three tech reps instead of two. This contract was continued after June 30, 1957 through Air Force channels in Dayton, Ohio.

4. This amendment results in an additional obligation of [REDACTED] which should be charged to "No Year" Air Force funds for Fiscal Year 1957 services. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
